WORLD HEALTH FORUM

Volume 14, 1993

World Health Organization, Geneva

Subject Index

(The subjects of WHO activities and recommendations, which appeared in the WHO Notes & News section of *World Health Forum,* are indexed separately on p. 4).

Aboriginal health workers, training, Australia, 262
accident prevention, Singapore, 407
Africa, obstacles to progress, 34
  rheumatic heart disease, 292
Antigua, children's eating habits, 404
Argentina, ethics of drug trials, 25
Australia, community organization of primary health care, 13
  promotion of breast-feeding, 316
  training of Aboriginal health workers, 262

back pain, plea for research, 61
Bamako Initiative, primary health care, Senegal, 349
birth asphyxia, China, 289
birth delivery, squatting posture, India, 400
blindness, local production of eye drops, 63
books, for Third World health workers, 178, 180
breast-feeding, promotion by video, Australia, 316

Canada, drug regulation, 31
Caribbean, hospital care, 367
child-to-child, health promotion, 23
China, computerized data management, 298
  management of birth asphyxia, 289
  night soil as fertilizer, 67
  water supply, 56
Chinese medicine, Asia, 79
cold-chain refrigerators, Zambia, 421
community health volunteers, Nepal, 16
community participation, as seen by health workers, Rwanda, 253
  health posts, Nigeria, 398
  participatory action-research, 319
  primary health care, Australia, 13
    Haiti, 168
    South Africa, 158
    South Pacific, 163

data management, computerized, China, 298
  tobacco consumption, 56
deafness, interview, 1
diabetes mellitus, in the elderly, India, 172
disability, postponement in the elderly, 150
disasters, relief supplies, 396
district health services, Tanzania, 360
drug regulation, Canada, 31
drug utilization, Papua New Guinea, 381
drug trials, ethics in developing countries, 28
  Argentina, 25
drugs, prescribed by nurses, Zaire, 60
  see also essential drugs

elderly, diabetes mellitus, India, 172
  postponement of disability, 150
  prevention of illness, 145
epidemiology, for malaria control, 43
  research training, Nicaragua, 37
Equatorial Guinea, integration of schistosomiasis control, 308
essential drugs, accessibility, Rwanda, 140
  management, Gambia, 136
ethics, drug trials in developing countries, 28
  Argentina, 25
  health care, Round Table, 105
Ethiopia, fish to control malaria, 176
Europe, health promotion by nongovernmental organizations, 53
evaluation, world health situation, 333
eye drops, local production, 63

family planning, incentives, India, 402
  promotion by radio, Turkey, 58
fertilizers, night soil, China, 67
Finland, rural water supplies, 425
fish, against malaria vectors, Ethiopia, 176
fishermen, exposure to risks, 313
food, nutrition labelling, Nigeria, 175
food safety, street foods, 191

Gambia, management of essential drugs, 136
  quality of health care, 401
Ghana, family psychiatric support, 385
Guinea-Bissau, health systems management, 86

Haiti, community participation in primary health care, 168
health, holistic approach, 173
health care, ethics, Round Table, 105
health care financing, Nigeria, 346
health for all, evaluation, 333
global security, 133
health information, for patients, India, 295
Third World needs, 301
WHO services, 410
health literature, sub-Saharan countries, 181
health promotion, European nongovernmental organizations, 53
through postage stamps, 61
health protection, legislation, Ukraine, 174
health records, India, 177
home-based, India, 305
health services, Tanzania, 360
health systems management, mission mapping, Guinea-Bissau, 86
health workers, cooperation with mass media, 267
hearing impairment, interview, 1
hospitals, Latin America and Caribbean, 367
restriction on smoking, 294

immunization coverage, evaluation, Zaire, 275
immunization services, India, 290
mothers' opinions, Zimbabwe, 282
see also cold-chain refrigerators
India, birth delivery posture, 400
community experience for medical students, 188
diabetes mellitus in the elderly, 172
family planning incentives, 402
health records, 177
home-based health records, 305
immunization services, 290
leprosy workers, 293
maternal health, 59
oral health, schoolchildren, 399
patient education libraries, 295
reduction of unnecessary injections, 291
women's health, 57
injections, risk of AIDS transmission, India, 291
internships, in developing countries, 183
Interview, with P. W. Alberti, Yash Pal Kapur, & Suchitra Prasansuk, prevention of deafness, 1
Ireland, mental health care, 397
Italy, patients' rights, 376

Latin America, hospital care, 367
prenatal care, 356
legislation, health protection, Ukraine, 174
leprosy workers, India, 293
libraries, help for developing countries, 178, 180
indexing of sub-Saharan health literature, 181
Third World needs, 301
WHO support, 410

malaria, control by larvivorous fish, Ethiopia, 176 epidemiological services, 43
pregnant women, Thailand, 418
Maldives, training mothers in primary health care, 20
mass media, reporting on health, 267
maternal health, India, 59
see also prenatal care
medical education, for changing medical practice, Round Table, 213
for tomorrow's doctors, Round Table, 217
medical equipment, basic requirements, 61
cold-chain refrigerators, Zambia, 421
medical students, community experience, India, 188
internships in developing countries, 183
medicinal plants, 390
mental health care, family support, Ghana, 385
Ireland, 397

neonatal resuscitation, China, 289
Nepal, urban community health volunteers, 16
Nicaragua, epidemiology teaching, 37
Nigeria, community participation, 398
health care financing, 346
nutrition labelling, 175
night soil, as fertilizer, China, 67
nongovernmental organizations, Europe, 53
Norway, diagnosis by videoconference, 71
nurses, as drug prescribers, Zaire, 60
nursing profession, 288
nutrition, children, Antigua, 404
nutrition labelling, Nigeria, 175

occupational health, commercial fishing, 313
oral health, schoolchildren, India, 399

palliative care, terminal illness, 172
Papua New Guinea, drug utilization, 381
participatory action-research, 319
patients' rights, Italy, 376
philately, health messages, 61
prenatal care, Latin America, 356
women with malaria, Thailand, 418
prevention, illness in the elderly, 145

primary health care, Bamako Initiative, Senegal, 349
community cooperative, Australia, 13
community participation, Haiti, 168
South Africa, 158
South Pacific, 163
involvement of mothers, Maldives, 20
primary health care workers, views on community participation, Rwanda, 253
see also Aboriginal health workers, community health volunteers, village health workers

quality of health care, Gambia, 401
hospitals, 367
Italy, 376
mental patients, Ireland, 397

radio, family planning promotion, Turkey, 58
relief supplies, disaster management, 396
rheumatic diseases, tropics, 293
rheumatic heart disease, Africa, 292
road safety, education for schoolchildren, Singapore, 407
Round Tables, Educating tomorrow's doctors, 217
The challenge of changing medical education and medical practice, 213
Would Machiavelli now be a better guide for doctors than Hippocrates?, 105
Rwanda, accessibility of essential drugs, 140
health workers and community participation, 253

schistosomiasis, control in Equatorial Guinea, 308
schoolchildren, as health leaders, 23
security, to attain health for all, global issue, 133
Senegal, Bamako Initiative, 349
Singapore, road safety education, 407
smoking, restriction in hospitals, 294
see also tobacco consumption
